Company Introduction

Founded in 2009 under the name Ekhmad Trading Establishment (ETE), Ekhmad Trading Company began its journey as a specialized provider of fire protection products and low current systems. From the outset, our mission has been to deliver high-quality, reliable solutions that ensure safety, security, and operational excellence across diverse environments.

Driven by a commitment to innovation and continuous improvement, we have steadily expanded our capabilities and service offerings. In 2022, we rebranded as Ekhmad Trading Company LLC, marking a strategic transformation that reflects our evolution into a full-spectrum electro-mechanical contracting and trading firm.

Today, Ekhmad Trading Co. provides integrated solutions across the electro-mechanical sector, including product supply, system installation, commissioning, and long-term maintenance. Our services cater to a wide range of sectors residential, commercial, industrial, and healthcare serving hospitals, malls, compounds, and private developments throughout the Kingdom.

What sets us apart is our dedication to quality, technical precision, and client satisfaction. We operate with a customer-centric mindset, supported by a team of highly skilled professionals who bring deep expertise and a collaborative approach to every project. Our systems are designed to meet international standards, including UL and FM approvals, ensuring compliance, durability, and performance.

As we look to the future, Ekhmad Trading Co. remains committed to becoming a leading force in the electro-mechanical industry. We aim to build lasting partnerships, expand our market presence, and continue delivering smart, safe, and sustainable solutions that protect lives and enhance the built environment.

Company Scope Explanation

Fire Fighting

A fire fighting system is an activity of prevention during a fire spread in building, home, warehouse, commercial or industries with the use of proper fire safety equipment like extinguisher, hose reels, fire monitors, nozzles and hose pipes. Along with those installation of complete system network to cover large areas to create system that protect and prevent fire disasters.

Fire Detection

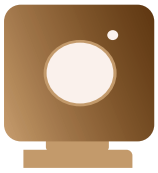

Fire alarm system consists of manual pull stations, visual/audible alarm devices and integrated automatic detection devices; addressable smoke detector/sounder bases and heat detectors located in individual sleeping rooms, corridors, common areas and mechanical spaces.

H.V.A.C

HVAC systems are designed to move air, heating or cooling an indoor space in the process. These systems generally have three major elements: a heating unit, cooling unit, and duct to move the air. Moreover Engineering explains that an H.V.A.C system starts with the ventilation that brings fresh air into a building in and out refreshing the facilities

Low Current

The Low Current System, also known as the Extra-Low Voltage system, is a branch of Electrical Engineering that deals with systems that operate using low current signals with extra-low voltage. These systems can be found in a variety of settings, from small end points to large central control systems.

Air Compression

Compressed air is a form of stored energy that is used to operate machinery, equipment, or processes. Compressed air is used in most manufacturing and some service industries, often where it is impractical or hazardous to use electrical energy directly to supply power to tools and equipment.

Clean Agent Fire Suppressions

Compressed air is a form of stored energy that is used to operate machinery, equipment, or processes. Compressed air is used in most manufacturing and some service industries, often where it is impractical or hazardous to use electrical energy directly to supply power to tools and equipment.

We are pleased to inform you that EKHMAD TRADING CO LLC is now registered in the Saudi Aramco Supplier Management System under Vendor Code No. 10116080, provided your company continues to meet all relevant Saudi Arabian and Saudi Aramco standards.

This registration, however, should not be construed as a commitment by Saudi Aramco to procure from you. Being registered as a supplier only grants your company the opportunity, along with other registered sources, to respond to requests for submitting proposals in accordance with Saudi Aramco's established policies and procedures. All procurement instruments including but not limited to service contracts, purchase agreements, or purchase orders will be issued based on the name and address included in your commercial registration (CR), as stated in your Supplier Registration.

Saudi Aramco wishes to remind you that being recognized as a supplier carries with it serious obligations and responsibilities to act in a legal and ethical manner. We wish to remind you of the Saudi Aramco Supplier Code of Conduct (SCOC) which you acknowledged. Failure to abide by the principles set forth in the SCOC can result in adverse actions being taken by Saudi Aramco against you including suspension of you as a supplier. Saudi Aramco also expects each of its suppliers to satisfy each of the requirements of any procurement instrument which might be placed and to act responsibly and reliably as a supply chain supplier.

Material Suppliers should apply for Saudi Aramco Supplier Portal access by forwarding a request to portal-registration@aramco.com. The Supplier Portal is the main electronic business tool used between Saudi Aramco and its suppliers and serves to improve the flow and accuracy of key supply chain information.

Safety & Quality Statements

SAFETY STATEMENT

Vital to our company philosophy is our commitment to the health and safety of our staff. We are firm on meeting industry standards and fulfill all safety requirements. The health and safety of our people is of highest priority and cannot be compromised.

QUALITY STATEMENT

We adhere strictly to local and international quality and safety standards. Our Quality, Health and Safety Policies underline the importance of an incident-free environment. At Ekhmad, we are committed to the health and safety of our employees, and continuously strive to improve our quality standards to meet the international quality requirement. We are proud holders of international accreditations and carry out our procedures in accordance with ISO certificates.

Code of Ethics and Conduct

EKHMAD ABIDES BY ITS CODE

BE PATIENT AND COURTEOUS

Be Inclusive;
We welcome and support people of all backgrounds. This inclution is not limited to members of any gender identity and expression, race, ethnicity, culture, national origin, social and economic class, educational level, color, immigration status, sex, age, size, family status, political belief, religion, and mental and physical ability.

Be Considerate;
We all depend on each other to produce the best work we can as a company. Our decisions will affect clients and colleagues, and we take those consequences into account when making decisions.

Be Respectful;
We won't all agree all the time, but disagreement is no excuse for disrespectful behavior. We all experience frustration from time to time, but we do not allow that frustration become personal attacks. We maintain an environment where people feel uncomfortable or threatened is not a productive or creative one.

CAREFULNESS OF CHOOSING WORDS

We always conduct our self professionally, following to be kind to others, not insult or put down others. Harassment and exclusionary behavior aren't acceptable. This includes, but is not limited to: Threats of violence, Discriminatory jokes and language, Sharing explicit or violent material via electronic devices or other means. Personal insults, especially those using racist or sexist terms, Advocating for or encouraging, any of the above behavior.

REPEATED HARASSMENT OF OTHERS.

In general point of view, if someone asks us to stop something unfavourable t them or culturally, then we are obligated to stop. When we disagree, we try to understand the “why differences of opinion and disagreements” and we find the unavoidable solutions. What is important is that we resolve disagreements and differing views constructively.

Code of Ethics and Conduct

EKHMAD ABIDES BY ITS CODE

OUR DIFFERENCES CAN BE OUR STRENGTHS.

We can find strength in diversity with different people have different perspectives on issues, and that can be valuable for solving problems or generating new ideas. Being unable to understand why someone holds a viewpoint doesn't mean that they're wrong (everyone is main character to their view). We all make mistakes, and blaming each other doesn't get us anywhere but learning to co-exist can build a better tomorrow.

Instead, we must focus on resolving issues and learning from mistakes.

STATEMENT OF OUR CORE VALUES

Build Trust and Credibility
The success of our business is dependent on the trust and confidence we earn from our employees, clients and shareholders. We gain credibility by adhering to our commitments, displaying honesty and integrity and reaching company goals solely through honorable conduct. It is easy to say what we must do, but the proof is in our actions. Ultimately, we will be judged on what we do.

Code of Ethics and Conduct

EKHMAD ABIDES BY ITS CODE

When considering any action, it is wise to ask: will this build trust and credibility for Ekhmad Trading Co.? Will it help create a working environment in which Ekhmad can succeed over the long term? Is the commitment I am making one I can follow through with? The only way we will maximize trust and credibility is by answering "yes" to those questions and by working every day to build our trust and credibility.

Create a Culture of Open and Honest Communication

At Ekhmad Trading Co. everyone should feel comfortable to speak his or her mind, particularly with respect to ethics concerns. Managers have a responsibility to create an open and supportive environment where employees feel comfortable raising such questions. We all benefit tremendously when employees exercise their power to prevent mistakes or wrongdoing by asking the right questions at the right times.

Ekhmad Trading Co. will investigate all reported instances of questionable or unethical behavior. In every instance where improper behavior is found to have occurred, the company will take appropriate action. We will not tolerate retaliation against employees who raise genuine ethics concerns in good faith.

To kind attention: Ekhmad Trading Co.'s whistleblower policy is as follows:

Employees are encouraged, in the first instance, to address such issues with their managers or the HR manager, as most problems can be resolved swiftly. If for any reason that is not possible or if an employee is not comfortable raising the issue with his or her manager or HR or Ekhmad does operate with an open-door policy and maintain all the neccessary action abide it.

UPHOLD THE LAW

Ekhmad Trading Co.'s commitment to integrity begins with complying with laws, rules and regulations where we do business. Further, each of us must understand the company policies, laws, rules and regulations that apply to our specific roles. If we are unsure of whether a contemplated action is permitted by law or Ekhmad Trading Co. policy, we seek the advice from the resource expert. We are responsible for preventing violations of law and for speaking up if we see possible violations.

Code of Ethics and Conduct

EKHMAD ABIDES BY ITS CODE

SELECTIVE DISCLOSURE

We will not selectively disclose (whether in one-on-one or small discussions, meetings, presentations, proposals or otherwise) any material non-public information with respect to Ekhmad Trading Co., its securities, business operations, plans, financial condition, results of operations or any development plan. We are particularly vigilant when making presentations or proposals to customers to ensure that our presentations do not contain material which are non-public information.

HEALTH AND SAFETY

Ekhmad Trading Co. is dedicated to maintaining a healthy environment. A safety manual has been designed to educate our teams on safety in the workplace.

CORPORATE RECORDKEEPING

We create, retain and dispose of our company records as part of our normal course of business in compliance with all Ekhmad Trading Co.'s policies and guidelines, as well as all regulatory and legal requirements.

All corporate records must be authentic, accurate and complete, and company data must be promptly and accurately entered in our books in accordance with Ekhmad's and other applicable accounting principles.

We must not improperly influence, manipulate or mislead any unauthorized audit, nor interfere with any auditor engaged to perform an internal independent audit of Ekhmad's books, records, processes or internal controls.

ACCOUNTABILITY

Each of us are responsible for knowing and adhering to the values and standards set forth in this code and for raising questions if we are uncertain about company policy. If we are concerned whether the standards are being met or are aware of violations of the code, we contact the HR department.

Ekhmad takes seriously the standards set forth in the code, and violations are cause for disciplinary action up to and including termination of employment.

Code of Ethics and Conduct

EKHMAD ABIDES BY ITS CODE

LOYAL CONDUCT

Confidential and Proprietary Information

Integral to Ekhmad Trading Co.'s business success is our protection of confidential company information, as well as non-public information entrusted to us by employees, customers and other business partners. Confidential and proprietary information includes such things as pricing and financial data, customer names/addresses or non-public information about other companies, including current or potential supplier and vendors. We will not disclose confidential and non-public information without a valid business purpose and proper authorization.

Use of Company Resources

Company resources, including time, material, equipment and information, are provided for company business use. Nonetheless, occasional personal use is permissible if it does not affect job performance or cause a disruption to the workplace.

Employees and those who represent Ekhmad Trading Co. are trusted to behave responsibly and use good judgment to conserve company resources. Managers are responsible for the resources assigned to their departments and are empowered to resolve issues concerning their proper use.
